London International Boat Show

It was an exciting London International Boat Show for the Trust, with the launch of the brand new Summer 2009 brochure and the introduction of our Boat Show daily special offers, which have proved to be a huge success with 45 bookings being taken on the stand.

It was great event for the Trust to promote its work with young people and to raise awareness of the benefits of sail training for people of all ages.

But we couldn't have done it without the help of our volunteers – so a big Thank You to all who gave their time and efforts to support the Trust.
